Re: Application for Permit No. 75-7354

Dear Mr. Bossert:

I am working toward licensing your water right 75-7354 for 0.12 cfs. I have enclosed documentation on about the permit. You submitted proof of beneficial use in December of 1988. According to your permit you divert from a spring to irrigate 6 acres in T20N R22E Section 9 NWNW, in Lemhi County. In your proof of beneficial use you indicated that you are only irrigating 2 acres. On the proof you also included domestic use for one home. Are you diverting from the spring for in-house use? I've included photography showing the place of use that we have on record and taxlot data. Would you please draw the land you irrigate and send the image to me in the enclosed envelop by October 11? No postage is necessary. If you have any questions please call me at (208)287-4879. Thanks for your time.

Sincerely,

A handwritten signature in black ink, appearing to read 'Sandra Thiel'.
