RE: Beneficial Field Exam for Water Permit 63-11869

Dear Mr. Johnston:

I have been asked to perform several field exams in your area during June 13-15, 2016. I would like to schedule a time to conduct a water right licensing examination during that time.

On June 18, 1992 you applied for a water permit for Irrigation and Stockwater use at the property located at Township 04N Range 01E Section 3. The Department received proof of beneficial use in October 2013.

Please have someone that is familiar with the system and its construction available at the exam, as well as the following documentation:

- 1- Pump and motor specs
- 2- Depth of pump
- 3- Pump Curve (if available)

I appreciate your attention to this matter and I look forward to hearing from you. Please contact me within 14 days at 287-4910 to schedule an exam for this water right permit.

Respectfully,

Clay A. Webster
Water Resource Agent
