RE: Beneficial Field Exam for Water Permit 63-12065

Dear Ms. Moulton:

I have been asked to perform several field exams in your area during June 7-9, 2016. I would like to schedule a time to conduct a water right licensing examination during that time.

On December 6, 1993 Apple Street Investors applied for a water permit for Irrigation use at the property located at Township 03N Range 02E section 26 (Brentwood Appartments). The Department received proof of beneficial use in January 2002.

Please have someone that is familiar with the system and its construction available at the exam , as well as the following documentation:

- 1- Pump and motor specs
- 2- Depth of pump
- 3- Pump Curve (if available)

I appreciate your attention to this matter and I look forward to hearing from you. Please contact me within 14 days at 287-4910 to schedule an exam for this water right permit.

Respectfully,

Clay A. Webster
Water Resource Agent
