From: Jean Hersley
Re: Place of Use

The POU for this water right is parcel 49N04W031800. Kootenai County describes this parcel as being in the SENE. Maps and correspondence from the county suggest the GCDB lines are off. Check PCDocs for review information. Current owner may have to file transfer to correct POU. The ownership will be updated based on Kootenai County's legal description and information provided by the county.
