Re: Change of Ownership for Water Right/Permit No(s): 95-11550

Dear Water Right Holder(s):

The Department acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department has modified its records to reflect this change in ownership and has enclosed a computer-generated report for your records.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing an ownership change notice, the department does not review the history of water use to determine if the right has been forfeited through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see § 42-222 and §42-223, Idaho Code.

Also note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right, to the Department. Notice of the change must be provided to the Department within 120 days of the change. Water right forms are available from any office of the Department, or at www.idwr.idaho.gov.

If you have any questions concerning the enclosed information, please feel free to contact me at (208) 287-4942.

RE: Notice of Change in Water Right Ownership No(s). 95-11550

Dear Interested Party(s):

The Department of Water Resources received a Notice of Change in Water Right Ownership from you on May 12, 2016. During the review, it was discovered that additional information was needed to complete this request.

The information needed is a copy of the conveyance document that conveys the property from Lenora J Simon to Inge Maumus. One of the quitclaim deeds you provided conveys property from you to the Worley Highway District and the other quitclaim deed conveys a small strip of land from Mariette J Cook, personal representative of the heirs of Liesel B Vedder and Wilfred R Vedder, to you. The deed does not include the property associated with water right 95-11550.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your request unprocessed. FYI: As soon as papers, sent to
the prior owner, were received by me
alerting me to the need for this, I
acted and filed. These papers +
\$25. check appear to not have been
received. (mail issue). After
ascertaining this and, again
communicating w/ Adam Fredrich re
CDA, I'm promptly resubmitting
this application. Delays in your receipt
of this... exist. However, I'm not been
the cause of these delays and feel
a late charge is not appropriate. Please
contact Adam re CDA for coordination.
Thank you! Inge MAUN
