Subject: Application for transfer of water rights

Hi Rodney,

We have received the City of Chubbucks application for transfer proposing to add a new point of diversion located in the NWNE, Section 4, T06S, R34E. According to the application, The City of Chubbuck owns the property at the proposed point of diversion. Bannock County taxlot date shows Ellis Construction Life Style Homes Inc owns the property at the proposed new point of diversion. Could you please provide me a deed or a document enabling the City to access the property for the new well?

Thanks,

Subject: Water Right Transfer (Add New Well #6)
Attachments: Application-for-Transfer-AddWell6.pdf

Hi Rodney,

Please find attached an application for transfer to add the new well to the Chubbuck water rights. It is huge because of the copies of existing water rights but the important pages are the first 2 and the last page which is a map showing the well location. I indicated the city owns the land where the well is located but perhaps it is an agreement instead? Based on the diversion rate estimate of 4.90 cfs I believe the application fee will be \$820 although the department may see it differently.

Call or e-mail if I need to make any changes or to discuss.

Thanks,
