Re: Jack Flammer 37-159D

Dear Mr. Mill:

Jack Flammer submitted transfer No. 79984 to IDWR in 2015. That transfer was protested by Idaho Power and BLM. Idaho Power has withdrawn their protest but BLM has not yet withdrawn their protest.

At this time, an amendment to transfer No. 79984 is being submitted to IDWR. This amendment is adjusting the location of 3.0 acres on property owned by Jack Flammer. The POD will stay the same as described in transfer No. 79984.

The remaining 2.0 acres will be identified on property currently owned by BLM. A transfer is being submitted concurrently with this amendment to propose moving the remaining 2.0 acres off of BLM property.

Please contact me if you have any questions.

Sincerely,

Greg Sullivan, M.S., Engineer
