Re: Water Right Application Incomplete - Returned

Dear Applicant:

This office received your application on March 18, 2016. The application cannot be accepted into the records of the Idaho Department of Water Resources (IDWR) until the following items are addressed:

- Section 3- Please provide the point of diversion correctly. Description is missing quarter quarter section.
- Section 8- The number of acres to be irrigated in each 40-acre tract must be shown. See the attached guidance document for an example. You must indicate the location of each proposed use listed in Section 4 using the appropriate symbol for each use. For irrigation, the number of acres in each 40-acre tract must be shown.
- Section 9- Write whether or not there are any other water rights or surface irrigation shares on the proposed place of use and what they are.

The original incomplete application is enclosed. Please make the necessary amendments to the original form and re-submit within the next thirty (30) days. This letter is an attempt to ensure that your application is complete in order to establish a priority date. You may receive future correspondence regarding more specific details of your application. IDWR forms and other information are available on the Internet at www.idwr.idaho.gov. Please consult the IDWR website or contact this office at (208)334-2190 and ask for the "office day person" if you have any questions about the necessary information.

Sincerely,

Western Region Water Rights Staff
