Good morning Earl,

The hearing officer has made the decision that we will hold a Status Conference via telephone in the next few weeks, prior to scheduling an official hearing. Therefore the parties should allow for a couple of hours to call in and discuss the issues at hand. We realize times are busy for everyone, but a Status Conference will be beneficial to all parties involved.

We'll be in touch. Thank you

Denise

Morning to Ewe Denise The next 4 months will be hard to have a day off for this hearing . Maybe Oct or Nov will work.  
Thank Ewe Earl
