

MEMORANDUM

To: File 79943 Albion 12 Investments LLC
From: Denise Maline
Date: May 6, 2016
Subject: Request for status conference – prior to scheduling a hearing

On May 3, 2016, IDWR sent out letters & calendars to obtain available dates for a hearing in this matter. This is based on the previously vacated March 31, 2016 hearing; and the amended application for transfer which was recently advertised.

I received a phone call on May 5, from attorney Bill Parsons, asking if it is possible to hold a status conference, rather than going straight to a hearing. In light of the fact that some protestants may or may not be interested in moving forward at this time, this may resolve some of the issues at hand, etc.

After talking this over with hearing officer James Cefalo, it was decided that I would contact all of the parties and find a suitable date to schedule a telephone status conference. At the time of the status conference, the parties can decide on a hearing date, if necessary.
