RE: Beneficial Field Exam for Water Permit 63-12594

Dear Mr. Deruyter:

I have been attempting to schedule a field exam on the above mentioned permit during June 13-17. Current tax data indicates that this property may be owned by Deruyter Dairy LLC. I would like to schedule a time to conduct a water right licensing examination.

I appreciate your attention to this matter and I look forward to hearing from you. Please contact me within 14 days at 287-4910 to discuss this water right permit.

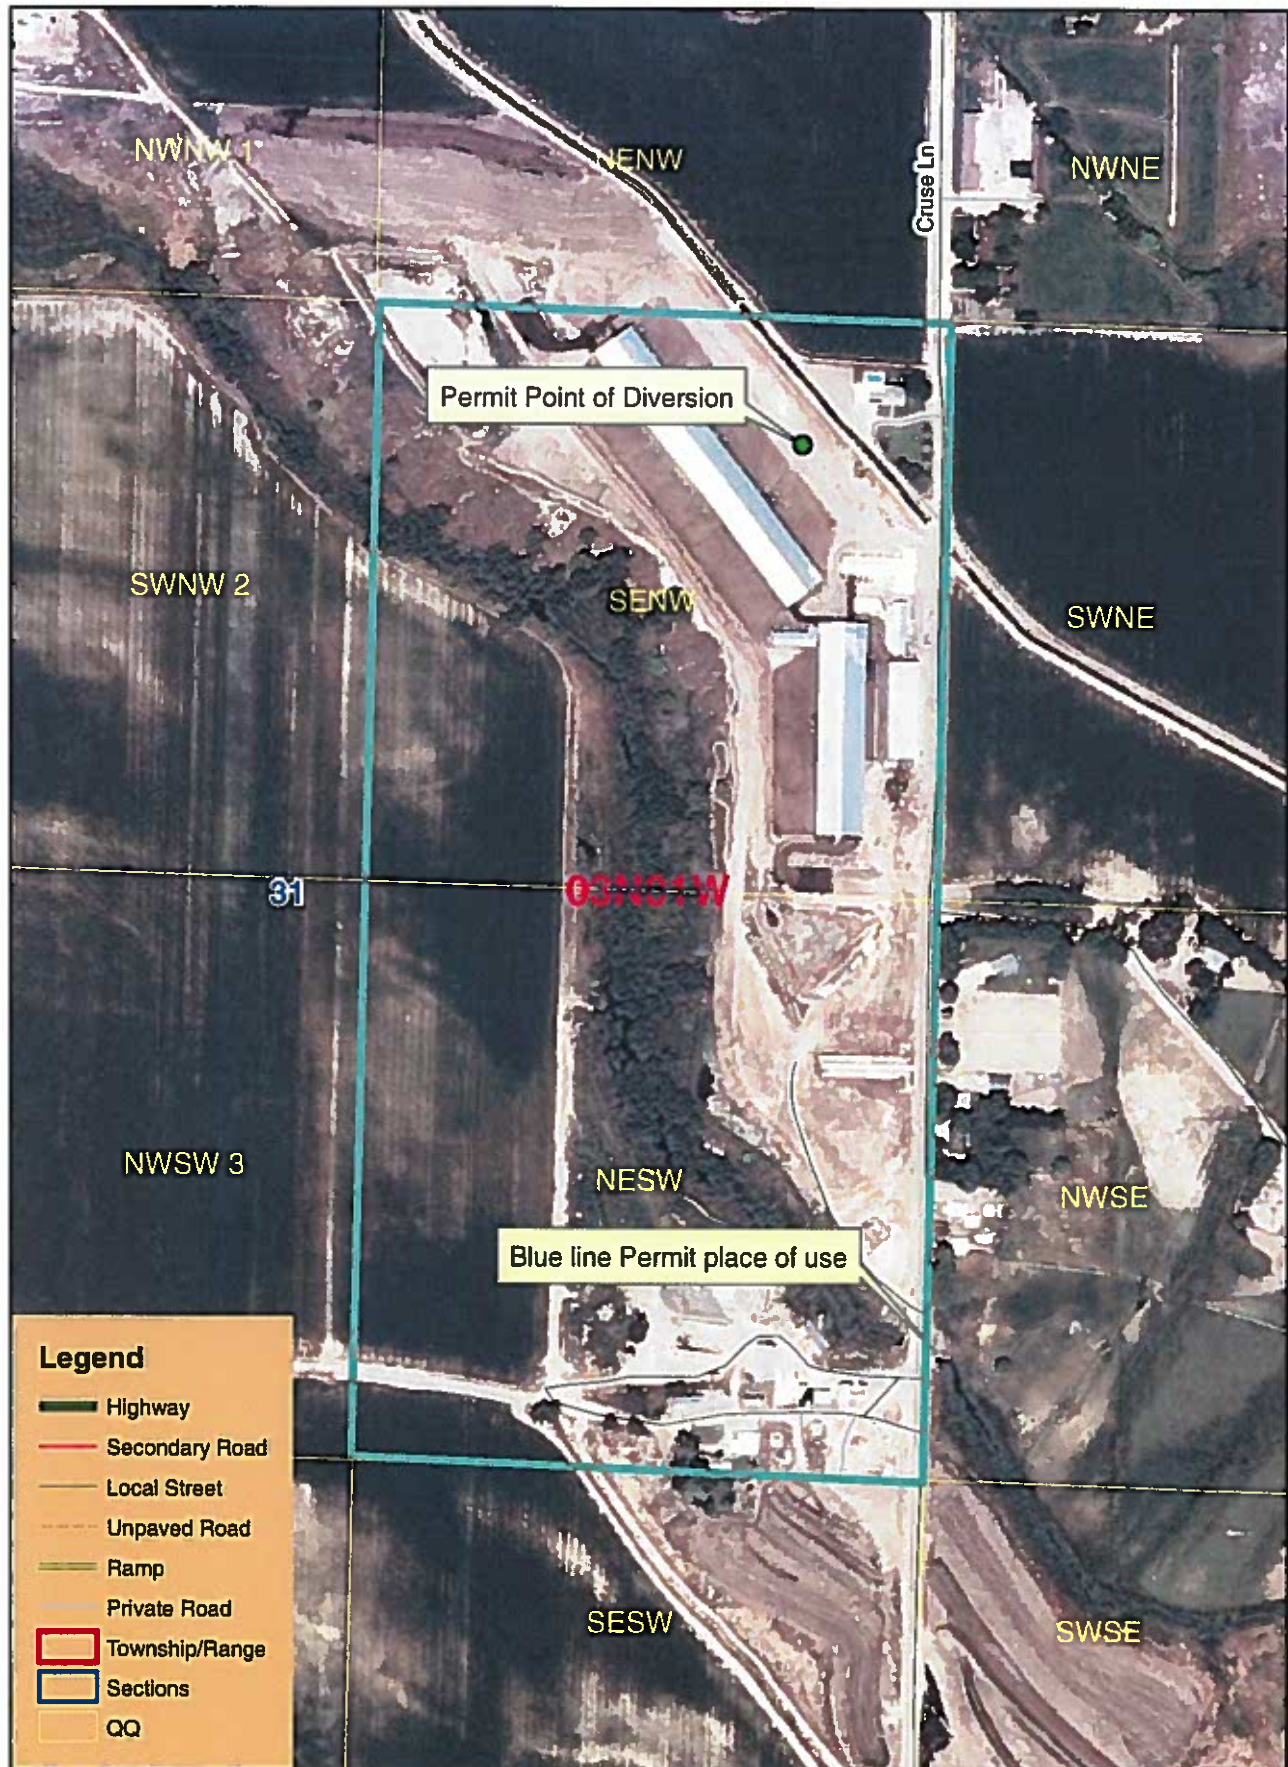

Respectfully,

RE: Beneficial Field Exam for Water Permit 63-12594

Dear Mr. Schuler:

I have been asked to perform several field exams in your area during June 13-17. I would like to schedule a time to conduct a water right licensing examination during that time.

Please have someone that is familiar with the system and its construction available at the exam , as well as the following documentation:

- 1- Pump and motor specs
- 2- Depth of pump
- 3- Pump Curve

On June 12, 2000 you applied for a water permit for Stockwater and Commercial use at the property located at Township 03N Range 01W section 31. The Department received proof of beneficial use in April 2001.

The department attempted to contact you in August 2013 to schedule a field exam. The letter was returned as unable to forward.

I appreciate your attention to this matter and I look forward to hearing from you. Please contact me within 14 days at 287-4910 to discuss this water right permit.

Respectfully,

Clay A. Webster
Water Resource Agent
