RE: Change in Ownership Water Right No. [22-14053](#)

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Ownership:** Please supply a full chain of title back to the current owner of the water right. The current owner of the water right according to the records filed with the department is Tom and Debbie Hunter. The deed received with your application is a Quit Claim Deed from Pete and Jodi Test to Pete Test. We need the deed from the Hunter's to Pete and Jodi Test. Also with the Quit Claim Deed the department will be required to show ownership as Pete Test instead of Pete and Jodi Test.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
Technical Records Specialist
