RE: LEASED WATER RIGHT NO(S). 2-10420 & 57-11710 RELEASED FROM THE WATER SUPPLY BANK

Dear Lessor:

On April 04, 2016, the Department of Water Resources (Department) leased into the Water Supply Bank (Bank) your water rights, water rights 2-10420, 2-10422 and 57-11710. Recently, the sale and transfer of water right 2-10422 and a portion of water right 2-10420 (now split into 2-10420 and 2-10510 through transfer # 79727), resulted in changes to the leased elements of the aforementioned water rights. Moreover, the new owner of water rights 2-10422 and 2-10510 requested that their water rights be released from the Bank. Water rights 2-10422 and 2-10510 were released from the Bank on April 27, 2016.

The change to the elements of water rights 2-10420 and 2-10422 through transfer 79727 and the subsequent release from the Bank of water rights 2-10422 and 2-10510 has altered the elements of water rights 2-10420 and 57-11710 remaining leased to the Bank. **As such, at this time, water rights 2-10420 and 57-11710 are being released from the Bank.**

The five (5) year period of nonuse related to forfeiture of a water right shall begin to accrue upon release of the right from the bank or shall continue to accrue if a period of nonuse occurred prior to the lease date of the right to the bank.

You can reapply to lease the water right(s) in the future by submitting new application form(s) from the Department's website at www.idwr.idaho.gov along with applicable fees.

If you have any questions regarding this matter, please contact me at (208) 287-4918.

Sincerely,

Remington Buyer
