Re: Reapplication of fee paid under Receipt ID No. C101885

Dear Sascha,

Please modify Receipt No. C101885 that was receipted on April 19, 2016. The \$25.00 fee that was paid was for an Assignment of Permit under Water Rights, with a PCA Code 56103. Erin receipted it under Beneficial Use by mistake. The water right permit is # 63-12211.

Thank You.
