Subject: Transfer of David Williams' water from Central to Riverton Ditch

RECEIVED
APR 14 2016
Department of Water Resources
Eastern Region

The stockholders of the Riverton Ditch approved the request from Doug Williams to have his water transferred into the Riverton Ditch at their annual ditch meeting held on March 14th, 2016. Doug plans to pump his water from the Riverton Ditch to Irrigate his 10 acres adjacent to the Riverton Ditch.

Sincerely,

Marvin R Yancey
Secretary of the Riverton Ditch Company.

PS--Do you have information regarding the Water Right the Doug was transferring to the Riverton Ditch? If so could you email that information to me.

Thanks,
MRY
