Application to Transfer No. 80535

To whom it may concern:

The Department of Water Resources is seeking written comment and/or recommendations from you regarding the above referenced water right application. A copy of the application is enclosed for your reference.

This office is publishing the notice of the application; therefore, your prompt response to this request is appreciated.

Please contact this office if you have any questions regarding the applications.

Sincerely,

Enclosure(s) — The enclosures you sent seem to be the originals — (??) If that is so and you need them back, I will keep them on hand for a time and return them if necessary. Like so many old water right descriptions, this one badly needed updating. After land sales, boundary changes, etc., clarifications are very necessary. As far as I can tell, this one seems to be generally correct.

Respectfully,

Craig McGregor
