RE: Scheduling Field Exam for Water Right Permit No. 63-12129

Dear Permit Holder:

The Idaho Department of Water Resources (IDWR) is planning to conduct water right field examinations in the vicinity of the above-referenced permit **during the week of April 21**. An examination is needed to verify water use(s) developed under the permit in order to issue a water right license.

Your permit authorizes the diversion of ground water for domestic use and irrigation. If you developed a beneficial use of water and still own the place of use property identified in the permit, please contact me at your earliest convenience to schedule an examination.

A water right license cannot be issued if beneficial use of water was not developed or if use was developed but abandoned. If you no longer own the property, IDWR will work with the current property owner to issue a license or to void the permit.

Please contact me to schedule a field examination for a day and time that is convenient for you. **Please call me at (208) 334-2190 by April 18 to conduct the field exam during the week of April 21.** If there is a problem with scheduling or conducting the field examination at this time, please let me know so we can reschedule.

Please call me at (208) 334-2190 if you have any questions. I appreciate your attention to this matter and look forward to hearing from you.

Sincerely,

Rick Collingwood, P.E.
Water Resource Agent, Sr.

Mr. Caddotte:

The receipt and the depth of the well will not be enough. We will have to come out and GPS the well so we can verify it's location. We will try to get this done sometime this summer. We will contact you before coming out there.

Thanks for your help!

Kay Walker

Mr. Cadotte:

I was reviewing your water right and find that we do not have a copy of the well log for the well you are using for your home and irrigation. Do you happen to have a copy of the well log and, if you do, could you fax or e-mail a copy to me? We may be able to complete an in-office examination of the water developed under 63-12129 if we had a copy of the log. Thanks for your help in this matter.

RE: Scheduling Field Exam for Water Right Permit No. 63-12129

We are planning to **conduct water right field examinations** in the vicinity of the above-referenced permit **during the week of July 16, 2012**. An examination is needed to verify your water use in order to issue a water right license.

Please be advised that you will need to operate your system under normal operating conditions during the examination. The permit authorizes the diversion of ground water of 0.10 cfs. for irrigation of 4.8 acres and domestic use.

In order to conduct your exam as efficiently as possible, we ask that you call this office to schedule a day and time convenient for you. **Please call me at 208-334-2190 by July 13, 2012, to conduct the exam during the week of July 16, 2012.** If there is a problem with scheduling or conducting the examination at this time, please let me know so we can reschedule or make other arrangements.

I appreciate your attention to this matter and I look forward to hearing from you.

Sincerely,
