Dear L G ARRINGTON(DECED)BENE:L A ARRINGTON

Thank you for choosing PENSICO Trust Company (PENSICO). As your alternative asset custodian, PENSICO is responsible for keeping accounts in compliance with all Internal Revenue Service regulations. Each year, we are required to report the fair market value of all IRAs held at PENSICO to the IRS. The IRS also requires that we obtain a current valuation *even if the information has not changed from the previous year.*

It is very important that PENSICO receive the attached worksheet no later than April 30, 2015. If you need assistance completing the valuation worksheet, please call us at 800-962-4238. If you have multiple Real Estate properties with PENSICO, you will receive separate letters and will need to fill out a separate worksheet for each property.

As your custodian, our goal is to help you maintain your tax deferred status. In the event you do not provide the required information to us, we may attempt to obtain the valuation and will assess a special service charge to your account.

Also, we encourage you to work closely with your property manager to ensure your IRA investment maintains its tax deferred status. Your property manager is responsible for properly issuing funds to pay all expenses related to the property as well as managing income received for the property, and it is important that you are aware of the activity related to your IRA investment.

If you have additional questions, please contact us at 800-962-4238.

Sincerely,

PENSICO Trust Company
