RE: Change of Ownership for Water Right Nos. 36-2394 and 36-7941

Dear Water Right Holder(s):

The department acknowledges receipt of correspondence changing ownership of the above referenced water right(s). The department has modified its records to reflect the change in ownership and has enclosed computer-generated reports for your records.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing an ownership change notice, the department does not review the history of water use to determine if the right has been forfeited through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Sections 42-222 and 42-223, Idaho Code.

Also, please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

A handwritten signature in cursive script, reading 'Trish Fawcett'.

Re: Change in Water Right Ownership for Water Right 36-2394 and 36-7941

Dear Mr. and Mrs. Bailey:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

_____ Filing Fee of \$25 per water right

 X Evidence of Water Right Ownership: copy of *Exhibit "A"* of your Warranty Deed containing the legal description of the property.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending its receipt. If we do not receive it within 30 days, we will return your notice and all attachments and your notice will not be processed.

Please note that water right owners are required to report any change in water rights ownership and/or mailing address to the Department within 120 days of the change. Failing to report these changes could result in a \$100 late filing fee. Please feel free to contact this office if you have any questions.

Sincerely,

Trish Fawcett
