4. If the water rights and/or adjudication claims were split, how did the division occur?
☐ The water rights or claims were divided as specifically identified in a deed, contract, or other conveyance document.
☐ The water rights or claims were divided proportionately based on the portion of their place(s) of use acquired by the new owner.
5. Date you acquired the water rights and/or claims listed above: March 9th, 2016
6. If the water right is leased to the Water Supply Bank changing ownership of a water right will reassign to the new owner any Water Supply Bank leases associated with the water right. Payment of revenue generated from any rental of a leased water right requires a completed IRS Form W-9 for payment to be issued to an owner. A new owner for a water right under lease shall supply a W-9. Water rights with multiple owners must specify a designated lessor, using a completed Lessor Designation form. Beginning in the calendar year following an acknowledged change in water right ownership, compensation for any rental will go to the new owner(s).
7. This form must be signed and submitted with the following **REQUIRED** items:
☒ A copy of the conveyance document – warranty deed, quitclaim deed, court decree, contract of sale, etc. The conveyance document must include a legal description of the property or description of the water right(s) if no land is conveyed.
☒ Plat map, survey map or aerial photograph which clearly shows the place of use and point of diversion for each water right and/or claim listed above (if necessary to clarify division of water rights or complex property descriptions).
☒ Filing fee (see instructions for further explanation):
 o \$25 per *undivided* water right.
 o \$100 per *split* water right.
 o No fee is required for pending adjudication claims.
☐ If water right(s) are leased to the Water Supply Bank AND there are multiple owners, a Lessor Designation form is required.
☐ If water right(s) are leased to the Water Supply Bank, the individual owner or designated lessor must complete, sign and submit an IRS Form W-9.

RE: Ownership Change for Water Right No's: 65-13069, 65-13070, 65-13611 & 65-13730

Dear Applicants,

The Department acknowledges the receipt of correspondence changing ownership of water right license **65-13730**. The Department has modified its records to reflect the change in ownership and has enclosed a computer-generated report for your records. This right was not included on your application, but was discovered when researching the property indicated on the warranty deed.

Water right **65-13611** is still in the permit stage; therefore, the enclosed Assignment of Permit must be completed, signed by the current owner of the permit, notarized, and submitted to our office before we can complete your request. The fee you submitted with the ownership change request will be transferred over to the assignment of permit.

Please complete and submit the requested documentation listed below:

- Water Right Numbers **65-13069 & 65-13070** cannot be modified without further documentation. The location of these water rights is Township 9N, Range 4E, Section 16, and NENW and Township 9N, Section 4E, Section 16 and NWNW Lot 4. The deed that you have provided only specifies to Township 9N, Range 4E, Section 16, and SWSE. I have included maps of the water rights and proof reports illustrating their points of diversion and places of use for reference.

Because the Department cannot process this request at this time, we will hold any action on your notice pending receipt of the necessary documentation. If we do not receive the required documentation within 30 days, the notice will be returned and will not be processed.

Thank you for your cooperation. If you have any questions please, contact this office at 208-334-2190.

Sincerely,

Chad Jones
