Mr. Pearson:

IDWR is preparing your Permit Application for data entry and publication of required legal notices.

Contact me not later than close of business on March 08, 2016 if you want to delay publication of the legal notices for your Permit Application. This would be to allow more time for researching whether you want to file an Adjudication Claim instead of a Permit Application. You will need strong evidence of the Irrigation use before 1971 if you choose to file the Adjudication Claim.

Please call me if you have questions.

Thanks,

Shaun Maxey
