Dear Permit Holder(s):

The Department acknowledges receipt of the proof of beneficial use forms submitted for the above referenced permits. The next step in the process of developing water rights is for the Department to conduct field examinations to determine and confirm the uses being made of the water.

Please be advised that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the Department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any Department office or at the Department's website at www.idwr.idaho.gov.
