Ms. Lyons:

Attached is a photocopy of your Application for Permit and a color map.

Please make the corrections that we discussed via telephone on your Application for Permit. These corrections should include:

- 1) Change #3 to read only one Point of Diversion. (Cross out POD for capped well).
- 2) Write in '4' in POD Govt Lot column (see map showing Govt Lot 4).
- 3) Correct 0.01 CFS to 0.02 for 'Stockwater'.
- 4) Complete line 6 (e) using information from correct Well Driller report (81-74-N-3) .
- 5) Write in 'GL4' in box below current entries 'D/S'.
- 6) Complete #11 Description of Proposal.

Each of the above corrections must be initialed and dated.

Please mark the enclosed color map using a dark pen or marker with a bold 'X' to show the approximate location of your well. Please draw a small circle or oval around the area where water from the well will be used and label it as 'Place Of Use'.

Please use U.S. mail to return your corrected Application and the new color map to me as soon as possible. The new color map should be substituted for the original one you supplied with '2 Wells'. Please take out the Well Driller's report for the capped well. You might want to note that the capped well (correct Owners permit No) is on your property.

Your corrected application and the new map are needed as soon as possible to avoid delay in publishing legal notices.

Thanks,

Shaun Maxey

Dear Applicant(s):

The Department of Water Resources has received your water right application. Please refer to the number referenced above in all future correspondence regarding this application.

A legal notice of the application has been prepared and is scheduled for publication in the IDAHO COUNTY FREE PRESS on 3/3/2016 and 3/10/2016. Protests to this application may be submitted for a period ending ten (10) days after the second publication.

If the application is protested, you will be sent a copy of each protest. All protests must be resolved before the application can be considered for approval. If the protest(s) cannot be resolved voluntarily, the Department will conduct a conference and/or hearing on the matter.

If the application is not protested, the Department will process your application and notify you of any action taken on the application. If your application is approved, the Department will send you a copy of the permit.

Please contact this office if you have any questions regarding the application.

Good afternoon, Nona,

Please publish the enclosed legal notice on the dates indicated, March 3 and 10, 2015, (once a week for two consecutive weekly issues). If you cannot publish the notice on the proposed dates, please contact me immediately.

This should be very close to press ready – for 2-column, 8pt. ~ I'm not sure of the font you use so just sending this in Arial, assuming you can adjust to font you use.

Please note the area(s) under **USE** containing dates and water amounts that are offset and lined up. Our legal should appear in this format.

Please also send a proof/preview copy for my review before this actually goes to press.

If you have any questions, please contact me as early as possible.

An affidavit of publication must be submitted to the Department along with the publication bill. Please send the affidavit and bill to this office before 3/21/2016. Your cooperation is appreciated.

It's always a pleasure to work with you.
