RE: Lakeview Development Water Association

This letter is to advise you, as a member of the Lakeview Development Water Association, developed in 1977, you are each entitled to domestic water usage, provided you continue to share the expenses incurred in the maintenance and upkeep of the system.

Each of us will pay a yearly water maintenance fee, due May 31st. Currently the fee is \$60.00. If there is a surplus (this will be decided by a vote of all members) it will then be equally distributed to all members. At the same time, if there is a need for extra monies, it is to be equally shared between the (6) members.

Because the water system is located on our land, this letter is designed to protect all stakeholders who contributed to the development of the system and are currently members in the Lakeview Development Water Association.

If any of the participants were to sell our properties, it is important each of us have documentation showing our vested interest in the system.

Sincerely,

Marvin L. Wheeler

Good afternoon, Bri,

Please publish the enclosed legal notice in the St Maries Gazette on the dates indicated, April 20 and 27, 2016. (once a week for two consecutive weekly issues). If you cannot publish the notice on the proposed dates, please contact us immediately.

This should be very close to press ready – for 2-column, 8.5pt, Utopia font.

If the CO for county will roll up on the line with Benewah it would be preferred. If not, maybe if we made Benewah lower case that would take care of that. I'd prefer not to have the CO orphaned on a line by itself. I'm never sure if my spacing matches exactly with how it will actually appear in the legal. I really try for press ready but sometimes I miss it a wee bit.

Please note the area(s) under **USE** containing dates and water amounts that are offset and lined up. Our legal should appear in this format.

Please also send a proof/preview copy for my review before this actually goes to press.

If you have any questions, please contact me as early as possible.

An affidavit of publication must be submitted to the Department along with the publication bill. Please send the affidavit and bill to this office before 5/9/2016. Your cooperation is very appreciated.

It's truly a pleasure to work with you. You take very good care of our legals. Thanks, and have a wonderful rest of the day.

Application For Permit No. 94-9473

Dear Applicant(s):

The Department of Water Resources has received your water right application. Please refer to the number referenced above in all future correspondence regarding this application.

A legal notice of the application has been prepared and is scheduled for publication in the ST MARIES GAZETTE RECORD on 4/20/2016 and 4/27/2016. Protests to this application may be submitted for a period ending ten (10) days after the second publication.

If the application is protested, you will be sent a copy of each protest. All protests must be resolved before the application can be considered for approval. If the protest(s) cannot be resolved voluntarily, the Department will conduct a conference and/or hearing on the matter.

If the application is not protested, the Department will process your application and notify you of any action taken on the application. If your application is approved, the Department will send you a copy of the permit.

Please contact this office if you have any questions regarding the application.

Sincerely,

Adam Frederick
