RE: Change of Ownership for Water Rights 25-14002 (No Split Required), 25-14004(split into 25-14004 & 25-14437) and 25-14250 (No Split Required)

Dear Water Right Holder:

The department acknowledges receipt of correspondence changing ownership and splitting the above referenced water right. The department has modified its records to reflect the changes and has enclosed computer-generated reports for your records.

Please note the department received a filing fee of \$125.00 with your original application which included an ownership change for 5 water rights. After review the department found 1 water right would require a split and 2 of the water rights were not appurtenant to your property. The filing fee for an ownership change for 2 non split water rights and 1 split water right would be \$150.00. For this application the department received a 2nd filing fee of \$125.00 giving this application a total of \$250.00 filing fee. The filing fee required is \$150.00 therefore you are entitled to a \$100.00 dollar refund. The refund has been requested and will arrive from the state office in a couple of weeks.

Your portion of the water right has a specified point of diversion, nature of use and place of use. If you plan on changing any of these, including adding a new point of diversion, then an Application for Transfer on your portion of this right is required. If you do not plan on changing any items on your water right, then no further action is required at this time.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing an ownership change notice, the department does not review the history of water use to determine if the right has been deliberately abandoned or forfeited through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Sections 42-222 and 42-223, Idaho Code.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact this office if you have any questions regarding this matter.

Receipt number: E041683

Payable to: Kent Clegg
2372 Clegg Ln
Grace ID 83251

Reason: Ownership change filed for 5 water rights with filing fee of \$125.00. During review it was found that 2 water rights could not be complete and 1 would require a split making the total filing fee \$150.00. When the additional fee was paid \$125.00 was paid again making the total fee received for this application \$250.00. Required fee \$150.00 total received \$250.00 therefore a \$100.00 refund is required.

Let me know if you need additional information.

Thank you so much for your time. Let me know if you have any questions.
