Dear Water Right Holders:

The Department of Water Resources received a check from you on April 14, 2016. The check was dated April 10, 2001. After further research, it seems this check was returned to you on April 30, 2001. You submitted a Notice of Change in Water Right ownership request when water right 65-5384A was in the SRBA process. There is no fee needed on rights that are involved in an adjudication process.

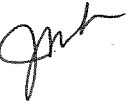

A refund is being requested and will be sent to you under separate cover from the State Controller's Office. If you have any additional questions, please contact me at (208) 287-4942. Thank you.

Sincerely,

A handwritten signature in cursive script that reads "Jean Hersley".
