RE: Refund: Ownership Change 63-32527

Please refund \$25. KELLY L MCCOY filed an ownership change for 1 water right on 3/18/2016. The application was to change her name due to marriage (current owner of the right is KELLY KUHLMAN) and add her husband (GARY P MCCOY). The documentation provided was a marriage certificate, which is insufficient to update ownership.

Please issue a refund of \$25.00 to:

RE: Ownership Change for Water Right No's: 63-32527

Dear Applicants:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. However, the application has not been processed due to insufficient documentation.

The following was either not submitted with the notice or needs some clarification.

- **A copy of the conveyance document – warranty deed, quitclaim deed, court decree, contract of sale, etc. The conveyance document must include a legal description of the property or description of the water right(s) if no land is conveyed.** The marriage certificate provided is insufficient to change ownership of the water right. The Department would need a deed for the property the water right is located on, showing both applicants listed as owners.

Because the Department cannot process this request at this time, we are returning the application and all attachments. You may submit this form with the required documentation and fees at any time. A refund has been requested and will be sent to the payer under separate cover.

Thank you for your cooperation, if you have any questions please contact this office at (208)334-2190.

Sincerely,

A handwritten signature in black ink, appearing to read 'Chad Jones'.
