RE: Ownership Change for Water Right Permit No.: 63-34031

Dear Property Owner:

The Department of Water Resources received a Notice of Change in Water Right Ownership from you on March 24, 2016. Water right 63-34031 is in the permit stage. A water right permit requires an Assignment of Permit to update the ownership since it is considered personal property and therefore must be assigned to a new owner.

I am returning the request for a Notice of Change in Water Right Ownership and enclosing an Assignment of Permit form for you. Please fill in the highlighted portions, have the permit holder's sign and have the form notarized and return to this office at the address above. A refund has been requested and will be sent to you under separate cover from the State Controller's office.

If you have any questions, please contact me at (208) 287-4942. Thank you.

Sincerely,

Jean Hersley
