RE: Change in Ownership Water Right No. 35-2155A, 35-2155B & 35-2592

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Additional Filing Fee:** According to our review the ownership change submitted will require a split. Water right numbers 35-2155B and 35-2592 will not require a split. However according to the information provided you did not purchase the entire place of use of water right number 35-2155A. The filing fee for a ownership change resulting in a division of a water right is \$100.00 per water right. Please review the maps attached if you agree a split is required please submit the additional filing fee for water right number 35-2155A in the amount of \$75.00.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
