RE: Assignment of Permit for Water Right Permit No. 95-10029

To Whom It May Concern:

The Department of Water Resources has received an Assignment of Permit to change the ownership of the above referenced permit. This permit is currently in the name of Donald Stepper. Since this water right is still in the permit stage, it is considered to be personal property of the permit holder of record with the Department (Donald Stepper).

If Donald Stepper is deceased, please provide the Department with documentation showing how you (Kathryn J. Stepper) acquired the property and have authority to sign in the place of Donald Stepper. Once the Department is in receipt of any acceptable documentation showing that you have the authority to assign this permit, then I will be able to process your Assignment of Permit.

We will hold this matter for (15) days from the date of this letter. If the Department does not receive the proper documentation within this time period, the \$25.00 fee you submitted on March 28, 2016, will be refunded, and the assignment form will be returned to you unprocessed.

If you have any questions, please feel free to contact me at (208) 287-4945

Sincerely,

Darla Block
Technical Records Specialist
