RE: Change in Ownership Water Right No. [34-10684](#)

Dear [Sir/Madam](#):

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Ownership:** According to information provided with your application you do not own the entire place of use of the water right. It appears the domestic portion of the water right is located in the NE, SE, 25, 4N, 25E and it does not appear to be appurtenant to your property. If you do own the domestic portion of this water right please submit evidence of ownership. If you do not believe you own any portion of the domestic use of this water right please supply an additional \$75.00 in order for the department to split the water right.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
