RE: Change in Ownership Water Right No. 29-376, 29-377, 29-389, 29-390, 29-4079, 29-4080, 29-7193, 29-7316

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Ownership:** In order for the department to complete your application for Ownership Change evidence of ownership is required. The letter attached to your application indicated there was no documentation but in order for this request to be complete some kind of evidence of ownership showing that the Toler assests were giving to The M Hanging Double T LLC is required.

As to your question in the last paragraph of your letter regarding water right number 29-11424 being withdrawn. Water right 29-11424 was withdrawn from the adjudication and is not a valid water right. It is possible that the original claim was already cover by one of the other active water rights. There is no way to reinstate that claim due to the fact that the snake river basin adjudication is coming to a close.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions, you can contact myself or Cooper Fritz.

Sincerely,

Jonie Barg
Technical Records Specialist
