NOTICE TO RESUME WATER USE

Re: Water Right No. 25-14362 & 14247

Dear Applicant:

On December 16, 2010 the Idaho Department of Water Resources (Department) approved an Application for Extension of Time to Avoid Forfeiture for water right 25-14247. Your water right was split from 25-14247. According to our records, you are the current owners of the water right that was split from 25-14247 through a change in ownership. One condition of the extension of time approval was that diversion and use of this water must resume on or before June 1, 2016. Failure to resume use of the water and to notify the Department of the resumed use would be cause for the water to revert back to the state and again be subject to appropriation.

Enclosed is the Resumption of Use form for your use to notify the Department of your resumption of use of the water right. Please complete the form and return it to my attention at the above address. Also enclosed is a copy of the certified letter that was sent to the applicant for extension of time.

If you have any questions regarding this matter, please contact me at (208) 287-4881.

Sincerely,

 Sandra Thiel
Senior Water Resource Agent
