RE: Change in Ownership Water Right No. **35-2263A**

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Ownership or Additional Filing Fee:** Please review the map attached. According to our review a division of the water right may be required. According to the legal description attached to your application you did not purchase the place of use of the water right lying north of the road. If that is not the case and you purchased the additional property and/or the water right only please supply evidence of ownership. If the ownership change will require a split please supply the additional filing fee of \$75.00.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
Technical Records Specialist
