Dear **Sir/Madam**:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The water right listed above is currently in permit status, because a permit is considered personal property the permit must be specifically deeded on the Warranty Deed or assigned to the new owner through an Assignment of Permit. The information required is indicated below:

**** **Form:** Assignment of Permit

OR

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees.
