RE: Transfer Application for Water Right No. 74-7363

Dear Water Right Holder:

The Department of Water Resources acknowledges receipts of your application for transfer- points of diversion. This water right is still in the permit stage so an Amendment of Permit is needed instead of a transfer. The Department is returning your Application for Transfer of Water Right- Points of Diversion.

Enclosed you will find an application for Amendment of Permit with the information copied from your transfer application already input. Please check to confirm the information is correct, sign and return to the address above. The fee you paid for the transfer application will be transferred to the Application for Amendment of a Permit.

If you have any questions, please contact me at (208) 287-4942. Thank you.

Sincerely,

Jean Hersley
