Notice of Intent to Void Permit

RE: Permit No. 95-13790

Dear Mr. and Ms. Zeuschel:

The Department of Water Resources sent you a request for information on February 8, 2016. The information required was confirmation that you complied with the fish screening requirements set forth in the conditions of your permit. A copy of the request has been attached to this Notice.

If I do not receive the requested information from you within thirty (30) days or by April 11, 2016, I will take action to void your permit under the provision of Section 42-219(8) of the Idaho Code. If you decide that you are no longer interested in pursuing this permit, you can shorten the voiding process by completing the enclosed relinquishment form for this permit and return to Department. **A copy of this letter was also sent to the address shown on the tax parcel data of PO Box 538, Greenacres, WA.**

With this letter I have enclosed a copy of the "Request for Information Letter", a relinquishment form, and a computer generated proof report of the permit. If you have any questions, please contact me as soon as possible.

Sincerely,

Daniel Nelson
