47-17553, 47-17558, 47-17563

Dear Water Right Holders and Party Holding a Security Interest:

The department acknowledges receipt of correspondence changing ownership of and adding a security interest holder to the above referenced water rights. The department has modified its records to reflect the changes and has enclosed computer-generated reports for your records.

Please note that although water right 47-2296C was listed on the Notice of Change in Water Right Ownership form to be changed into Harmony Organic Dairy LLC, it is not appurtenant to any of the ground conveyed in the warranty deed; therefore ownership of this water right was not updated. A refund of the \$25 filing fee has been requested and will be mailed under separate cover in the near future.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing an ownership change notice, the department does not review the history of water use to determine if the right has been forfeited through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Sections 42-222 and 42-223, Idaho Code.

Also, please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,
