RE: Ownership Change Water Right: 98-4295

Dear Property Owner:

The Department of Water Resources acknowledges receipt of your request for a Notice of Change of Water Right Ownership on water rights 98-4295. After reviewing your request, it was determined additional fees will be needed to complete this request.

Water Right 98-4295 will need to be divided. You are entitled to a portion of the stockwater use and a portion of the domestic use for one home. Your property is located in Township 64N, Range 01E, Section 17 NWNE and NENW. The irrigation portion of this right is located in Township 64N, Range 01E, Section 17 NWNW. I have attached a map and a water right report for you benefit.

Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership. The fee is \$25 per water right, except for ownership changes resulting in the division of a water right, which is \$100 per water right. All ownership change notices received after June 30, 2000 must include the appropriate filing fees in order to be processed. The Department has determined that the additional filing fee for your notice will be **\$75**.

Because the Department cannot process the ownership change without proper fees, we will hold any action on your notice pending receipt of the necessary fees. If we do not receive the necessary fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please contact me at 208-287-4942 if you have any questions.

Sincerely,

Jean Hersley
