Re: Updated specific 200.5 acres authorized for irrigation per Transfer 75265
Water rights 61-328, 61-10578, and 61-11807

Dear ARK Properties LLC:

The Department has received and updated your water right files to reflect the 200.5 acres of irrigation planned for the 2016 irrigation season. These updates were based on the information and shape files submitted by Lori Graves with SPF Engineering received on 03-04-2016. If this irrigation area changes in the future, a new land list and map will need to be submitted.

Please feel free to contact me at 208-287-4933 if you have any questions.

Sincerely,
