Peter – we received your application packet yesterday, Dec 29. There was a delay because you had used an incorrect address. Unfortunately the application is not quite complete. I have scanned and attached two pages which need attention:

Page 2 – requires your signature

Page 4 – must be completed with all questions answered.

There was also a final page which you did not include but which did not require modification, so I have attached it to your application but did not send return it to you. The fee is correct and we have receipted the application.

Please print these pages, complete them and return them by mail, as an original signature is required. You may also scan and send copies so that processing may continue, but the hard copies will be required before any final approval of the transfer.

IDWR's correct address is:

**650 Addison Ave West Suite 500
Twin Falls ID 83301-5858**

Thanks for your prompt attention to this. When we receive these pages back I will be able to submit the application for processing.

RE: Correction in the Point of Use in, which mistakenly listed it as SWSE Gov Lot S, section 21, Township 6N Range 13E while it should be SESW Gov Lot 2, Section 21, Township 6N Range 13 E

Dear Watermaster Yenter:

As you know, Water Right Water Right Number 37-4148 has shared use between five parties. Unfortunately, one of these uses had the wrong point of use decreed (SWSE Gov Lot S, section 21, Township 6N Range 13E), while in reality the true POU is SESW Gov Lot 2, Section 21, Township 6N Range 13 E. There has never been a use at the decreed POU and there are no structures at the site. This is an error in listing and I would like to adjust this to reflect the actual point of use on an adjacent parcel. The site of true use had a distinct domestic water right from a different spring source but it has not been used for potable water for over forty years.

Attached is a check for \$200 (check No. 4130) for the fee of changing the POU for this Water Right. I greatly appreciate your help in correcting this mistake in the POU listing for this water right.

Sincerely,

Peter A. Bowler
