### PROOF ACKNOWLEDGEMENT LETTER

**RE: Permit No. 94-9460**

Dear Permit Holder(s):

The department acknowledges receipt of the proof of beneficial use form (proof) submitted for the above referenced permit.

A \$50.00 license examination fee was also submitted with the beneficial use form. A license examination fee is not required for a permit with a ground water source and a rate of diversion of 0.04 cfs or less. The fee will be returned to you in a separate mailing.

The next step in the process of developing a water right is for the department to conduct a field examination to determine and confirm the use being made of the water.

**Please be advised that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office or at the department's website at [www.idwr.idaho.gov](http://www.idwr.idaho.gov).**

If you have any questions concerning the field examination, please contact the Northern Region Office of the department located in Coeur d'Alene at (208) 762-2800.

Sincerely,

Darla Block  
Technical Records Specialist
