Helen High(1926 - 2015)

Helen Mabel Osborne High, 89, of Ashton, died of natural causes Aug. 20, 2015, at her home. She was born March 13, 1926, at Vernon, Idaho, southwest of Ashton near Black Springs.

She was delivered by her grandmother, Millie Ricks Olsen, who later raised her from the age of 5 years old after the death of her mother. She was the first of four girls from George Almon Osborne and Mabel Ricks Olsen.

She attended the Ashton schools and graduated with the class of 1944. Many of those years she rode a horse to school. She grew up in the depression years and learned not to waste anything. Helen washed dishes for a piano teacher in exchange for piano lessons. After graduation from high school she worked painting houses to help make ends meet.

In October of 1944 she married Robert Grant High. They lived with Robert's Family West of Ashton on Snow Creek, in Bird Rock Canyon. Shortly after being married her husband was asked to serve in the Navy and left for the duration of the war, returning in April of 1946.

Her daughter, Mary Dawn, was born in the summer of 1945 while Robert was on the transport ship just north of Hawaii heading for the Philippines. In 1949 her son Jim was born, followed in 1953 by her son Bill. She moved out of the canyon in 1954 about one mile south of her Ashton home of late, where she lived the remainder of her life.

In 1972 the old house where she lived burned to the ground, and she lost everything. She worked with her husband and raised her family while working on the farm. She also helped with the pipeline-welding business, which helped to support the farming hobby.

Helen enjoyed, and was very good at, crocheting, making braided rag rugs, quilting, knitting and sewing. She sewed most of her kids' clothing. She was a good cook and never let her family leave the house without a good breakfast. She grew a big garden and canned the fruits and vegetables for the winter. She was especially proud of her raspberry patch. She loved flowers and often would take some to her grandmother. She always said that her grandmother would enjoy them more while she was alive than at her funeral. During her later years she enjoyed feeding hummingbirds. She counted over 80 hummingbirds one summer after the Yellowstone fire.

She considered it a priority that all her family get a good education and learn to work hard. She taught by example and worked side by side with her family all day, and when the work was done she cooked dinner.

She waited most of her life to attend the temple where, at the age of 86 years young, she realized her goal.

She is survived by her children Mary (Norman), of Kimberly, Idaho; Jim High (Dena), of Rock Springs, Wyoming; and Bill High (Brenda), of Pasco, Washington; 11 grandchildren; and 24 great-grandchildren. She was preceded in death by her parents, her husband, three sisters, two grandsons, Shad and Jared High, and two great-grandsons, Seth and Dominic Sweeney.

Funeral services will be held at 11 a.m. on Friday, Aug. 28, at the Ashton 1st Ward Chapel. The family will receive friends Thursday evening from 5:30-7 p.m. at Baxter Funeral Home and Friday from 10-10:45 a.m. at the church. Interment will be in the Pineview Cemetery.

Condolences may be sent online to the family at <http://www.baxterfh.com>.

Robert Grant High, 86, of Ashton, passed away March 5, 2010, at the Ashton Living Center. He was born Feb. 1, 1924 to John Wesley High and Thelma Maude Andrus. He attended school in Sarilda and later attended North Fremont High School. He was raised in the canyon northwest of Ashton near the Bird Head Rock, where he helped his dad farm. Robert married Helen Mabel Osborne on Oct. 18, 1944, at the St. Anthony courthouse. Four months later he was drafted in to the U.S. Navy. He completed his basic training at San Diego. While en route to the Philippines, his first child, Mary Dawn, was born, July 12, 1945. He was serving in Samar during the Christmas Mutiny of 1945. He received an honorable discharge on April 12, 1946. His two sons, Jim W. (April 5, 1949) and Bill H. (Oct. 11, 1953), were both born while he and Helen lived up in the

canyon.

In 1954 Robert moved his family 2 miles closer to town so his children could catch the school bus. He lived the remainder of his life there. He farmed west of Ashton and worked as a welder on the side to support the farm. He, with his wife and children, welded pipe line for underground irrigation systems.

Every summer he would load up his family early on a Sunday morning and drive into Yellowstone Park. He enjoyed fishing, hunting and snowmobiling with his family. He worked on both the Teton and American Falls Dams, repairing machinery. Later, his son Jim, got him a job for Halliburton on the North Slope in Alaska.

He is survived by his wife of 65 years, Helen; two sisters, Betty Linscott of Idaho Falls and Julieana Hartle of Phoenix, Ariz.; daughter, Mary (Norman) Wengert, of Kimberly; sons, Jim (Dena) High of Rock Springs, Wyo., and Bill (Brenda) High of Pasco, Wash.; 11 grandchildren and 19 great grandchildren.
