**REQUEST FOR EXTENSION OF TIME DEFICIENCY LETTER
& LAPSE NOTICE**

RE: Permit No. 37-22847

Dear Permit Holder(s):

The Department received the request for extension of time (extension) form submitted for the above referenced permit on February 29, 2016. The extension form was not accompanied by the required \$50.00 fee. The Department cannot accept the extension request without the fee.

You are hereby notified that under the provision of Idaho Code § 42-218a, the above referenced **permit has lapsed and is of no further force nor effect**. The permit may be reinstated according to Idaho Code § 42-218a (1) if you submit an acceptable extension form to the department within sixty days of the mailing of this lapse notice.

Because the Department did not receive the required \$50.00 filing fee with the extension request, this permit lapsed on the proof due date of **March 01, 2016**. The priority date for this permit will advance 1 day for every day your extension request with fee is late beyond the proof due date of March 1, 2016, as provided in section 42-218a(2), Idaho Code.

Also, you are allowed an initial development period of 5 years, and only one extension request after that for up to 5 more years according to Section 42-204, Idaho Code. You have only had 2 years under this permit of the initial 5 years allowed. You could modify your extension request form to reflect a 3 year extension now taking you through the initial 5 year development period allowed. Then later you could file for one more extension for up to 5 more years if needed.

I am returning your extension form and ask that you please resubmit the extension form with the required \$50.00 fee at your earliest convenience. If you have any questions concerning this matter, please contact me at (208) 287-4945.

Sincerely,

Darla Block

Describe what work has been completed toward the development of this water right:

If no work has been completed, show "none".

Well is drilled and is providing water to an old house which will be removed when the new home is built. The new home will likely be built in the next five years.

Costing \$ 6000 est.

The permit holder(s) has been unable to complete the remainder of the work for the following reasons:

Applicant is employed full time out of state and plans on retiring in the next few years. Financing of a new home is not possible at this time.

Permit holder(s) request an extension for 5 year(s).
