Re: Updated specific 783 acres authorized for irrigation per Transfer 77754

Dear ARK Properties Inc:

The Department has received and updated your water right files to reflect the 783 acres of irrigation planned for the 2016 irrigation season. These updates were based on the information and shape files submitted by Lori Graves with SPF Engineering received on 2-26-2016. If this irrigation area changes in the future, a new land list and map will need to be submitted.

Please feel free to contact me at 208-287-4933 if you have any questions.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Steven Visosky'.
