RE: Change of Address for Water Rights

Dear Water Users:

The Department has recently sent correspondence that was returned to the office for an incorrect address. In order for an address to change on a water right the owner must submit the current address *in writing with a signature* to the Department. I have enclosed a *Change in Address* form for you to sign and sent back to the Department. Once it is received, the changes will be made to our records of the new address and future correspondence will be sent the current address. Our office will send confirmation that the change has been completed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact this office if you have any questions regarding this matter. (208)736-3033

Sincerely,

Carrie Hahn
