Dear Mr. Nelson:

The Idaho Department of Water Resources has received your protest against application for transfer nos. 80587 in the name of Kent Clegg. Due to the fact that we did not receive it until **January 27, 2016**, the protest date was **January 25, 2016**. So we are unable to accept it as a valid protest. No one else protested this transfer, so we cannot even accept it as a Petition to Intervene.

The Department of Water Resources' Water Appropriation Rules and Regulations states: Protests against the approval of an application for transfer will only be considered if received by the department after receipt of the application by the department and prior to the expiration of the protest period (January 25, 2016) announced in the advertisement.

If you have any questions, please feel free to contact us.

Sincerely,

Sharla Cox
Administrative Assistant
