RE: Notice of Change in Water Right Ownership No. 37-7490 and 37-22667

Dear Interested Parties:

The Idaho Department of Water Resources (Department) received a Notice of Change in Water Right Ownership on December 15, 2015 for the above mentioned water rights. After reviewing the request, it was determined that a conveyance document was needed to complete this request.

An email was sent on February 9, 2015 requesting the required information. On March 10, 2015, a second notice was sent via US Postal Service. The Department received a phone call from Nancy on March 17, 2015 asking the Department to hold the application until after the April board meeting. Another email was sent on August 10, 2015 again requesting the conveyance document. As of the date of this letter, no information has been received.

The Department is returning Notice of Change in Water Right Ownership and the attachments. You may re-submit the application in the future with the required documentation. If you have any questions regarding this matter, please call me at (208) 287-4942.

Sincerely,

Jean Hersley
Technical Records Specialist II
