I'm sorry it has taken so long to follow up on this. I'm hoping something was resolved at the board meeting in April.

I believe when I talked to you, I mentioned the Department needed documents that conveyed the property or the water rights to Soldier Mt. Ski Area Inc. Item #7 on the gift transfer regarding "various water permit and other administrative applications, etc.," states "[Donor/SMD] agrees to cooperate with SMSA in transferring any such permits, applications and approvals to SMSA pursuant to law". One way to put the water rights into SMSA's name would be for SMD to quitclaim the above mentioned water rights to SMSA.

Please let me know what the decision was. If I don't hear from you in 14 days, the Department will return your applications unprocessed. Please call me if you have any questions. Thank you.

Thank you for your phone call yesterday. I sent the email to the address on the Change in Water Right Ownership form I received, which was info@soldiermountain.com. I will hold this until I hear back from you after your board meeting in April.
