RE: Water Right No's:

Original: Water Right No. 69-4017

Split into: Water Right No. 69-11537 & 69-11538

Dear Water Right Holders:

The Department modified its records to reflect a change in ownership splitting Water Right No. 69-4017 into 69-11537 and 69-11538 as explained in acknowledgment sent to all right holders involved on July 23, 2012.

This letter serves as notification that the total rate was inadvertently described as inclusive for each new right. The rate limitations have been corrected by describing the rate for the irrigation and stockwater uses as non-inclusive. Please review the enclosed updated proof report describing your current water right.

If you have any questions concerning the enclosed information, please feel free to contact me at 208-334-2190.

Sincerely,

Rachel Sommer
Water Resource Agent
Western Regional Office
